

Creating Value Through Impeccable Management

Date: 10 & 11 June 2009

ACCA

Objective:

The fast-paced economic environment requires us to plan and implement impeccable strategies that ensure high growth and business expansion. Business are expected to build international markets, negotiate favourable terms and develop human talents for sustainability. Values must be created in leadership aspects, human governance, people management, creative thinking and entrepreneurial spirit in every employee. Creating Values today, for business of tomorrow!

This programme is designed to develop the right management acumen aimed to create values in various aspects of business. You will learn the new ideas of conducting business via effective leadership and management skills. This programme also aims to assist you in working with people from diversified backgrounds and bringing the best in both you and your team members. You will be able to polish your management and people skills and increase your level of self confidence in planning, organising, performing and controlling management processes.

At the end of the session, you will be able to

- Realise the importance of exploring new business frontiers and modern economy.
- Develop the right leadership and managerial skills for success.
- Understand the mechanism of human governance in corporate environment.
- Understand and communicate more effectively with different types of people.
- Inculcate "Inno-tivity" in problem solving and decision making process.
- Help people to create success via effective teamwork.
- Increase your confidence and have fun while learning at this workshop.

Continuing Professional Development

Speaker's Profile:

Mr. Vincent Horis an Associate member of The Malaysian Institute of Chartered Secretary and Administrators (ACIS). He holds a Certificate in Tax Management (Distinction) under a HRDF Proluscourse. Vincent is also a Trainer registered with Pembangunan Sumber Manusia Berhad (PSMB-MIM). Vincent's career in taxation began with a medium-sized accounting firm in Kuala Lumpur. He moved on to join Ernst & Young's International in corporate tax department. He left the firm in year 2000 to set up his own practice in providing professional services in the field of taxation, corporate secretarial, business financial planning, management services and communication training. Now he is engaged by companies to provide in-house training in taxation, management development, leadership enrichment, communication and creativity thinking. To-date he has trained more than 6,000 professionals, directors, entrepreneurs, executives and students. Vincent has served clients in a wide range of industries including manufacturing, retail and construction. He has conducted various types of communication workshops and soft skills training to companies and institutions of higher learning. He had training engagements at MAICSA, UBS Corporation Bhd, Malayan Flour Mills Bhd, Maybank, Chen & Associates, Rentokil Initial (M) Sdn Bhd, Jabatan Pendaftaran Negara (JPN), Universiti Malaya (UM), Kolej Tunku Abdul Rahman (KTAR) and Universiti Tunku Abdul Rahman (UTAR). He was a workshop presenter at Universiti Malaya-Industry Seminar 2006. He was a panel speaker at Universiti Teknologi Malaysia (UITM) Student Conference 2004 attended by more than 900 participants. In 2004, Vincent also spoke at KTAT's Business Management Society's talk on "Realising Your Dreams Through Effective Communication". Vincent is an accomplished speaker and has won many Toastmaster International speech contests at clubs, areas and divisions level. He received the highest Toastmasters International award i.e. the Distinguished Toastmaster (DTM) in 2006. He received the coveted Division W's Toastmaster of The Year award in 2003/2004 for his excellence in leadership and communication. Now he is a Trainer at the District 51 Toastmaster Leadership Institute (TLI) serving 256 clubs in Malaysia, Indonesia and Brunei with membership of more than 6,200 toastmaster in the District. His passion, sincerity and conviction in public speaking have touched many people's life. He believes that oral communication starts from the heart, and when shared with others, it will enrich their life, one at a time.
