NATIONAL ACCOUNTANTS CONFERENCE (NAC) 2009

Greetings from the Malaysian Institute of Accountants (MIA), the national regulatory body for accountants in Malaysia.

We are pleased to inform that MIA will be hosting its flagship event, the National Accountants Conference (NAC) 2009, themed "The New Economic Model: Value Chain Transformation" at the Kuala Lumpur Convention Centre, Kuala Lumpur, Malaysia from 13-14 October 2009.

The NAC has always served as a powerful knowledge platform that enables participants to gain up-to-date insights on specific financial, economic, business, management issues and breakthrough ideas that are relevant to corporate executives and professionals. In addition, the NAC has also proven to be an excellent event for networking among professionals and corporate leaders. Having achieved about 2,000 participants for the NAC2008, this year the NAC2009 aspires to achieve 2,200 participants.

Building from our successful past collaborations, we once again would like to invite AFA to be part of NAC2009 as a supporter and to assist us promoting the event on behalf of MIA to your members. We would appreciate if the proposed marketing activities below could be supported by AFA through its Project Coordinator – En Khairul Azmi:

- Highlight the event at AFA's and its member bodies' website providing a hyperlink to MIA's website (www.mia.org.my/nac)
- Highlight the event in AFA's and its member bodies' medium of communications
- Disseminate the event information via e-mail campaign (email blast) and mailing to member bodies (AFA) and members (AFA's member bodies).
- Promote the event during AFA's events (if any) with the use of marketing materials, e.g. brochure.

As agreed in the previous years, we will acknowledge AFA's contribution as follows;

- AFA's logo will be featured on all our marketing materials.
- two (2) complimentary seats will be offered to your organisation.
- preferential registration rate (MIA member's rate) will be extended to individual members of AFA member bodies.

We welcome and appreciate any publicity that you could offer for this event. Ms. Lim Chia Li will be pleased to assist and liaise with you on administrative matters as well as promotional materials needs.

We look forward to receiving a favourable response at your earliest convenience.

Thank you.

Yours sincerely,
MALAYSIAN INSTITUTE OF ACCOUNTANTS

ROSLI BIN ABDULLAH
Chief Executive Officer
